The survey, labour, materials and installation are all included in this offer. We will also insulate loft hatches, lag pipes

and insulate your water storage tank at no extra charge. If you already have loft insulation, but it's less than 60mm, British Gas

Example of house type

Gas-heated, 3 bed semi-detached

Annual Saving[†]

Loft insulation	£150
Cavity Wall Insulation	£115
Topping up 50mm (2 inches) of insulation to 270mm (10.5 inches)	£45

can top it up for free*. **Insulation can help you reduce your energy bills.** Insulation stops heat escaping through the walls and roof of your home. Your home becomes more energy efficient, and you save money.

It's quick and easy to install. British Gas' expert installers do their best to work around you. All you need to do is be home for around half a day. Wall insulation is injected in from the outside, so there's very little fuss or mess. When insulating your loft, we can normally work around belongings stored there, and always clean up any mess.

Call British Gas today and we'll do the rest.

We'll arrange for a surveyor to

visit your home and assess your insulation needs. After that, we arrange for our installer to carry out the work, at a convenient time for you. Simply call 0800 068 0032 and quote the code SAMAY before 26 June 2010.

What else is on offer?

If you qualify for free insulation*, you can also request a free British Gas Standby Saver**. This energy-saving device will be delivered to you once your

insulation has been installed. **What if I'm not eligible for free home insulation*?**

If you don't qualify this offer, you can still benefit from subsidised insulation. British Gas will insulate your loft for just £274[^] and cavity wall for £250[^]. Simply call 0800 068 0032 and quote the code SAMAY.
